Section 1 - Introduction

This directory provides a list of Health Choice Generations HMO SNP's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You will have to choose one of our network providers who are listed in this directory to be your Primary Care Provider (PCP). The term "PCP" will be used throughout this directory. Generally, you must get your health care coverage from your PCP. A PCP is a practitioner who sees people for common medical problems. Your PCP is often involved in your care for a long time, so it is important to select someone with whom you will work well.

The "network providers" listed in this directory have agreed to provide you with your health care, vision and dental services. You may go to any of our network providers listed in this directory however, some services may require a referral. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers. Some services may require your provider to obtain a prior authorization.

Emergency care can always be obtained in or out of the service area from the nearest available provider. When you receive emergency or urgently needed care from a provider who is not a part of our network, you are only responsible for paying for your share of the cost, not the entire cost. You should ask the provider to bill the plan for our share of the cost, not the entire cost. If you have received a bill from a non-contracted provider, send us the bill and any documentation of any payment that you have made. It is also a good idea to make a copy of your bill and receipts for your records.

You must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Health Choice Generations HMO SNP will be responsible for the costs.

What is the service area for Health Choice Generations HMO SNP?

The counties in our service are listed below:
Apache, Coconino, Mohave, Navajo, Maricopa, Gila, Pinal and Pima Counties in Arizona.

How do you find Health Choice Generations HMO SNP providers in your area?

The Health Choice Generations HMO SNP Provider directory is arranged by specialty group (ex. Primary Care Providers), County (Apache), alphabetically by city, and sub-specialty (ex. Family Practice or Internal Medicine). The Providers that have asterisks (*) indicates that they are not with AHCCCS (Medicaid) as of 9/1/2016. If there is a "◇" next to the provider name, this indicates that the PCP is not accepting new members or has a closed panel (as of 9/1/2016). If the provider speaks another language, the language will be below the provider's number.

If you have questions about Health Choice Generations HMO SNP, or require assistance in selecting a PCP, please call our Member Services Department at 1-800-656-8991, 7 days a week, 8 a.m. to 8 p.m. TTY users should call 711. Or, visit www.HealthChoiceGenerations.com.
